THE LION'S DEN | 1623 FM 141, GIDDINGS

The Lee County Chapter of CCA Texas will be hosting a General Membership Meeting at the Lion's Den on Tuesday, April 4 and would like you to attend. Our Guest Speaker for the evening will be Shane Bonnot, Advocacy Director for CCA Texas, and he will be discussing red snapper fisheries.

Shane works closely with CCA committees, members and staff on interests and policies that are vital to the long-term sustainability of our coastal marine resources. As a 6th generation Texan, Shane grew up in Wharton where he spent his childhood in the woods, on the water, playing sandlot baseball, catching snakes and mostly driving his parents crazy. He received a Bachelor of Science from Texas A&M University in Animal Science, and a Master of Science degree from Texas A&M University-Corpus Christi. After college, he worked for the Virginia Institute of Marine Science for three years as the Oyster Hatchery Manager. In 2006 he moved back to Texas to work for TPWD-Coastal Fisheries Division in the stock enhancement program at Sea Center Texas, spending five years as Hatchery Biologist and another five years as Hatchery Manager.
