29<sup>th</sup> Annual  
Banquet and Fundraiser

Frontiers of Flight Museum  
April 29, 2010

April 29, 2010

Welcome to the 29<sup>th</sup> Annual Dallas Chapter CCA Banquet and Fundraiser. We have a great program tonight and appreciate your attendance. *CCA TEXAS* was formed in 1977 as a marine conservation organization that has grown to over 50,000 concerned recreational anglers and coastal outdoor enthusiasts. *CCA TEXAS* unmatched breadth and depth of volunteer involvement has made it the largest marine conservation group of its kind, enacting positive change on all levels of coastal marine conservations and management.

Your attendance and contribution tonight will allow *CCA TEXAS* to continue the work that has helped our coastal environment and fisheries for 33 years. *CCA TEXAS* is organized to advise and educate the public on the conservation of marine animal and plant life along the coast, both inshore and offshore. We achieve these goals by sponsoring several programs: research and fish restocking, communication and education, addressing legislative issues affecting our marine resources, providing legal representation, and other special programs.

Thanks to all of our sponsors for their continued support of our efforts, and special thanks to our Executive Committee members who have worked to bring tonight's event to you.

Sincerely,

*Richard Pratt*
