**2010 Youth Kid Fish Tournament**

---

**Come out and join us in our annual Kid Fish Tournament. This is a great opportunity to introduce your kids to fishing, or keep them interested in the outdoors. This event is for kids 14 years of age and under and there will be several categories to win. Note that there is a one rod limit per participant. Help us get our youth involved in the outdoors and conservation by bringing your kids out to fish.**
