June 3, 2015

Dear Valued Sponsor:

The Coastal Conservation Association is a non-profit organization dedicated to the protection of our coastal resources. Formed in 1977, CCA and its seventeen state chapters (from Texas to Maine and now Oregon and Washington) have grown with over 100,000 members nationwide. CCA Texas is the largest state chapter with approximately 68,000 members in 58 local chapters from Dallas to Harlingen to Midland. We are the largest marine conservation association of our kind in the United States.

Our goal is to protect and replenish our coastal habitat and resources. We accomplish this goal in three main areas: education, legislation and enforcement. In addition, CCA Texas is a partner with Texas Parks and Wildlife in operating the saltwater hatchery and aquarium, Sea Center Texas, in Lake Jackson, Texas and with AEP in the Flour Bluff Marine Development Center. These facilities produce millions of juvenile red drum and speckled trout for Texas bays.

These endeavors are supported by fundraising events held by 58 volunteer chapters throughout the state of Texas. Over 60,000 sportsmen and women at over 60 events attend this fundraising process. Without support from generous donors in the sporting goods, marine, outfitters, and travel businesses, just to mention a few, these events would not be successful.

The Hill Country Chapter is one of CCA Texas most active and successful chapters in the state. This chapter currently keeps an active member base between 1,400 and 1,500 members throughout the year and includes the areas of Comal, Guadalupe, and Hays counties.

The Hill Country chapter is holding its annual banquet and fundraiser on **August 20, 2015** at the New Braunfels Civic Center, doors open at 6:00pm. Over 700 individuals will attend this event and take part in live and silent auctions as well as miscellaneous raffles. We will include such items as fishing and hunting trips, CCA artwork, and various fishing packages.

We would like to ask you for your support at this year's banquet. You might be interested in purchasing a table or making a donation of any type (item, trip or cash). Any support you might be able to give will help make a difference in the future of Texas' Bays and Estuaries.

If you have any questions, please do not hesitate to contact Miles Engelke (Chapter President) at 210-260-8968, Todd Thetford at 830-660-8825, or Coleman Todd, Hill Country Chapter's CCA Texas Assistant Director, at 800-626-4222. Thank you for your time. We look forward to hearing from you soon.

Sincerely,

Miles Engelke  
Hill Country Chapter CCA Texas
